The Intelligent Use of Space

## Storage Systems

FOR GOLF CLUBS

Recover 60% of your space, or store twice as many golf bags in the same space ! Optimize the use of your space with the Aetnastak golf bags shelving system, a safe, reliable and easy to operate system mounted on Mobilex mobile carriages.

4 sections can accommodate up to 144 golf bags (126 sq. ft.)

Reliable

Safe

Space-efficient

## DOES YOUR GOLF CLUB HAVE STORAGE PROBLEMS ?

What you need is a mobile, flexible storage system that will allow you to store golf bags, shoes, balls, clothes or accessories.

### Try the unique storage system for golf clubs !

- Handle golf bags more easily, quickly and safely
- Save space
- Maximize storage capacity in your pro shop, warehouse, offices, reception area, etc.
- Make room for equipment, material or rest areas

### CHARACTERISTICS

- Manual, mechanical or electrical systems
- Vertically adjustable shelves to accommodate new club lengths
- Specific space identified for each bag
- Shelves tilted at 5° for safer storage of golf bags
- Smooth operation: spherical wheels fitted in double rails reduce friction
- The best safety systems for users and their golf bags: a wide range of safety features and accessories is available
- Electrical systems remain operational during a power outage (optional)
- A wide variety of accessories for storing all your objects: golf bags, balls, clothes, or personal effects

### AESTHETICS

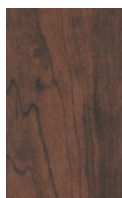

A large selection of wood laminate steel or textured steel front panels is available for easy integration with your environment.

Hazelnut

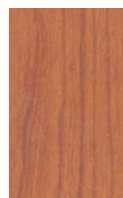

Maple

Dark Maple

Mahogany

Cherry Wood

### STANDARD SIZES

	Depth	Width	Height	Floor space	# bags
1 double-face section	36"	126"	100"	31,5 sq. ft.	36
3 sections	108"	126"	100"	94,5 sq. ft.	108
10 sections	360"	126"	100"	315 sq. ft.	360

# RECOVER 60 % OF YOUR SPACE

OR **DOUBLE  
YOUR STORAGE  
CAPACITY**

Aisles between conventional fixed units are a waste of space.

With Montel's mobile units, you recover 60% of your space by eliminating unnecessary aisles.

Or double your storage capacity and optimize your space.
