

How to order tambour doors

Franklin Mills tambour door systems are designed to work in conjunction with stationary shelving only! Our systems work with our 4-post and stackable shelving. Please consult Franklin Mills to determine any compatibility issues with other manufacturer's shelving before ordering.

Stackable Shelving

4-Post Shelving

STEP 1

Determine overall height and width of cabinet.

Refer to diagram for proper dimensions. The tambour door mounts to the top of each shelving unit, increasing overall unit height by 10". Consult local fire code regulations when any fire sprinklers are visible. When calculating overall height, dimension to be rounded to nearest whole number where applicable. Example: 64-1/4" high to be rounded to 64" high.

STEP 2

Specify color.

Tambour doors are available in two colors only. Refer to the following chart for color specification. Choose standard paint color selection for door frame and housing. See chart below for the corresponding tambour color.

Standard Paint	Charcoal Gray	Putty
T22 - Warm Brown	X	
T15 - Bone White		X
T46 - Soft White		X
T48 - Ivory		X
T45 - Dark Gray Metallic	X	
T23 - Medium Gray Metallic	X	
T34 - Light Gray Metallic	X	
T56 - Tan Metallic	X	
T25 - Black	X	
T86 - Gray Mist	X	
T47 - Light Gray	X	
T12 - Dove Gray	X	
T29 - Sage	X	
T41 - Slate Blue	X	
T42 - Tech Blue	X	
T17 - Burgundy	X	
T58 - Blue	X	
T93 - Safety Yellow	X	
T27 - Industrial Red	X
