

Expandable Retention Pockets

Expandable Retention Pockets are available in 3 styles:

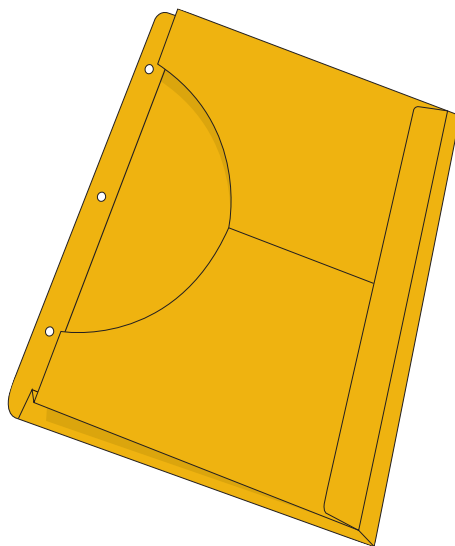

No matter which style you choose, they are all perfect for holding those items that can not or should not be hole punched, including: annual reports, blueprints, maps, charts, evidence, project reports, financial statements, and future mailings.

Item #04691

- Our original 50lb. Brown Kraft Jackets which measure: 9" x 14" x 1" are predrilled for letter and legal positions with 2-3/4" center to center holes.
- Can easily adjust to legal or letter size. Simply fold flap on scoremark to adjust.
- Eliminates the need to carry both sized inventories.
- Fits perfectly on to prong fasteners.

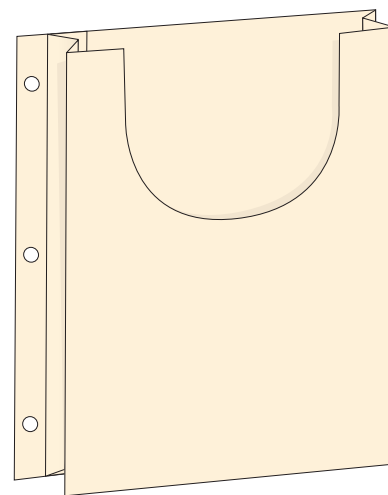

(packed 250/box)

Item #04694

- Our new Kraft Binder Retention Jacket which measures: 9" x 11-1/2" x 1" is made of the same durable 50lb. Brown Kraft and punched with 3 holes to fit comfortably into a standard 3 ring binder.
- The opening is on the left side so papers will not slip out.

(packed 250/box)

Item #04695

- Our new Acid-Free Binder Retention Jacket measures 9-1/4" x 10-3/4" x 1" and is made of durable 14 point Acid-Free Manila stock.
- It's perfect for those original, irreplaceable documents that can not be hole punched.
- Punched with 3 holes to the left to fit easily into a standard 3 ring binder. The opening is on the top for easy access.

(packed 100/box)
