

Franklin Mills Co.

Heavy-Duty Plastic Sheet Protectors

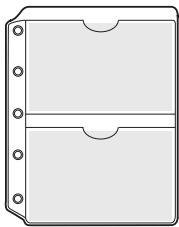

PROTECT CRITICAL PATIENT RECORDS

Franklin Mills sheet protectors are constructed using non-glare, readable, heavy gauge vinyl designed with reinforced seams for extended durability. Protectors are available in a variety of styles and colors to instantly locate critical patient information. Franklin Mills sheet protectors will fit in all open side and open top ring binders.

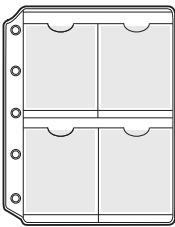

Franklin Mills colored sheet protectors instantly highlight vital documents, such as Advance Directives, using blue or red tinted vinyl. Franklin Mill's pockets are non-glare and easily readable from either side.
